to Norway

660 jobs
jobs associated with
Norwegian portfolio investment

In addition, Delaware's export to Norway and Norwegian companies in Delaware support **75 jobs** elsewhere in the US value chain (indirect employment effects).

Did you know?

During World War II, the Norwegian merchant ship Hvoslef was torpedoed by a German submarine off the Delaware coast. The survivors came ashore in a lifeboat at Fenwick Island and found a welcome reception from the locals. Scuba divers can now visit the wreck of the Hvoslef, and even swim inside.
