INVITE YOU TO**

A SIDE EVENT FOR
THE 12TH SESSION OF THE CONFERENCE OF STATES
PARTIES ON THE RIGHTS OF PERSONS WITH
DISABILITIES

TECHNOLOGY AND DESIGN FOR INDEPENDENT LIVING

Technology and design can play powerful roles in enabling the implementation of the CRPD.

At this side-event, learn about how the public and people sector can be synergised to increase access to assistive technology, incorporate inclusive and intuitive design in infrastructure and services, and strengthen community support. We invite you to exchange best practices, lessons learnt and innovative solutions to build inclusive environments for persons with special needs!
