Advokatliste Portugal og Kapp Verde

Oppdatert november 2026

Ambassaden i Lisboa har ikke ansvar for advokatenes kompetanse og redelighet eller for eventuelle juridiske konsekvenser av å kontakte en av advokatene på listen. Det er advokatene selv som har oppgitt hva de spesialiserer seg på.

Advokatene på listen er basert i Portugal og tilbyr advokattjenester og bistand etter portugisisk rett.

En full oversikt over advokater i Portugal finnes på Advokatforbundets nettsider https://portal.oa.pt/advogados/pesquisa-de-advogados/

En egen liste over norske advokater basert i Portugal, eller som tilbyr advokattjenester i utlandet, finnes til sist i dette dokumentet. Merk at disse i hovedsak tilbyr tjenester og bistand etter norsk rett.
