- In the case of a passport issued by a foreign service mission whose loss is notified in Norway, notification shall be sent to the mission that issued the passport, which shall fill in the passport information on the notification form and return it to the police district in which the loss has been notified for registration.
- In the case of a passport issued by a foreign service mission whose loss is notified outside Norway, the mission that issued the passport shall fill in the passport information on the notification form and send it to Oslo Police District, fax no 22668734 for registration in PASS and NSIS.
